## **Press Release** **Reported Sexual Assault** **UPDATE**

On June 25, 2015 at approximately 1209 it was reported that a female in her early 30's was running on the Rails to Trails just south of Scoville Road, when reportedly a male described as being a white male, approximately 5'6", with a goatee, wearing sunglasses, black shirt with a reflective vest over the shirt, and a baseball cap came up behind the female and dragged her off the path and sexually assaulted her.

### **UPDATE:**

Due to the media's and public's help, the Detective Unit has been provided useful information that is actively being followed-up on. We do not have a sketch of the possible suspect and it may not be available until sometime over the weekend. As this information becomes available, again, the Avon Police Department will be seeking the media's help in getting this information out to the community.

As stated earlier, the Avon Police Department has increased patrols along the Rails to Trails. If anyone should have any information, please contact the Avon Police Department where it will be forwarded to the Detective Unit for follow-up.
