

PROPERTY CHECKS

In keeping with the Avon Police Department philosophy of *service to the community*, we will perform a check on residential property in Avon that will be vacant for an extended period of time. While it is not possible to check every house, every day, the Patrol Unit will do its best, as time permits, to check each property.

Avon residents who plan to leave their house unoccupied for an extended time can contact the Avon Police Department at 860-409-4200 to request that the property be patrolled. At that time, it is important to advise the Police Department if there is an alarm system installed at the home.

In order to be placed on the Property Check list, the following information should be provided, either in writing to the Police Department, or by calling 860-409-4200:

- Resident's Full Name
- Residence Address
- Emergency Contact Information (cell phone number)
- Date residence will first be unoccupied
- Date of return to residence
- Vehicle registration data for any vehicles remaining on the property
- Existence of Alarm System at the property

Once an Avon resident has returned home, we ask that the Avon Police Department be contacted in order to remove the residence from the Property Check list.

If you have any questions about Property Check service, please contact the Avon Police Department at 860-409-4200.
