

EDUCATION AND CULTURAL

PROGRAM DESCRIPTION

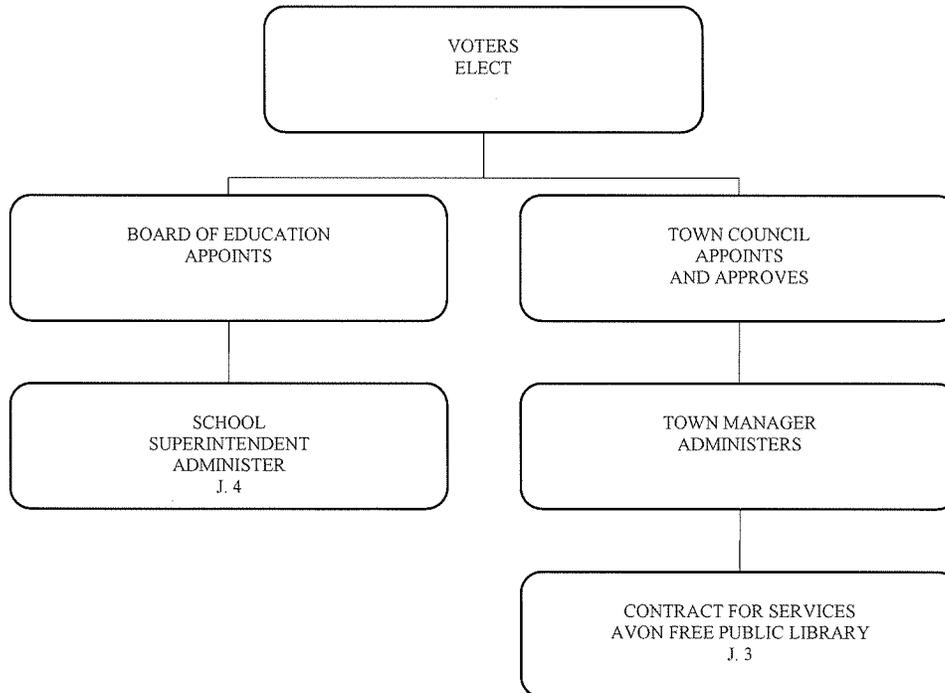

The Education and Cultural expenditures include the Avon School System and the Avon Free Public Library. The accounting structure utilized by the Board of Education in managing the school system is mandated by the State of Connecticut. The Board of Education is an elective body composed of nine (9) persons for overlapping four-year terms. The Board of Education hires a Superintendent to manage the School System. The Board of Education, by Charter, submits its budget to the Town Council by February 15 of each year.

The Avon Free Public Library provides library services to the Town of Avon by written contract. The Library Trustees, as part of the contract, provide a detailed budget in the format requested by the Town. The Town of Avon owns and operates the Library Building.

PROGRAM DESCRIPTION

The Avon Free Public Library (AFPL) is a private organization under the management of a Board of Trustees. The majority of the operating funds are supplied by the Town under a written contract for services. The Town owns and operates the Library Building. The AFPL serves as the center of enrichment for the community, providing free and convenient access to information, literature, culture and the arts through a variety of media and technologies.

PROGRAM COMMENTARY

The fiscal year 2015/2016 budget request reflects post-expansion staffing needs, an increase in Sunday library hours, and an increase in the books and materials budget to account for an expanded collection of digital materials.

¹Note: data for 2011/2012 impacted by on-going construction activity which included closing of the Library for 9 weeks.

²Note: Database searches are being calculated using a new, and more accurate, method effective 2013/14.

³Note: data for library visits is estimated for 2011/12 and 2012/13 due to no functional door counter during part of construction.

PROGRAM OBJECTIVES

- To provide convenient access to relevant collections, innovative library services, and quality programs.
- Expand community outreach to build on existing partnerships.
- Continue the cross functional development of the staff in order to maximize their skills and abilities.

PERFORMANCE MEASURES

One of the Town's long-term goals is to "provide a quality educational system and supportive learning environment." In support of this goal, the AFPL aims to exceed the State's average circulation per capita, visits per capita, and program attendance per capita. In fiscal year 2012/13, the latest year for which such State data is available, the State circulation per capita was 8.56, visits per capita was 5.97, and program attendance per capita was 0.51. By comparison, in fiscal year 2013/14, Avon's circulation per capita was 16.3, visits per capita was 8.8, and program attendance per capita was 1.1.
