

TEMPORARY SIGN APPLICATION for a NEW BUSINESS  
TOWN OF AVON

One sign not illuminated and not exceeding 12 square feet may be displayed for any new business in a commercial zone for up to 30 consecutive days. A new business is defined as any business that moves into a new location subsequent to the adoption of this regulation. Any business that meets this definition and has received a certificate of occupancy within 6 months of adoption of this regulation shall also be permitted a new business sign for 30 consecutive days. A permit for such sign shall be obtained from the Zoning Enforcement Officer prior to the sign being displayed.

Signs shall be placed on the owners' property and shall be positioned so as not to obstruct sight lines of traffic or pose a hazard. You should also note that signs placed in the state's right-of-way may be subject to removal by the Department of Transportation.
