Please join our team from *vie for the kids* and the Connecticut Children's Medical Center in the **fight against childhood cancer**.

Money raised at The Robby Brisco Open will go toward **leading-edge experimental treatment**.

Our children - right here in Connecticut, in your town, in your schools, in your neighborhood- continue to need the treatment provided by the Pediatric Cancer Clinical Trials Program at Connecticut Children's. For many, traditional treatment failed them - it could be their last hope.

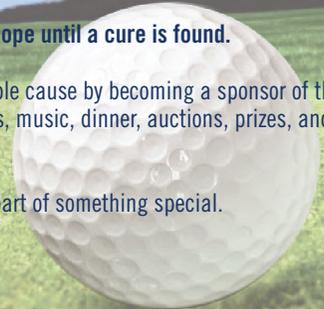

Let's continue to **give them hope until a cure is found**.

We hope you will join this noble cause by becoming a sponsor of this wonderful event - 240 golfers, music, dinner, auctions, prizes, and lots of fun!

This is an opportunity to be part of something special.

Thank you.
