**RE: Potential Sanitary Sewer Service for the  
Paperchase Trail / Hurdle Fence Drive SOUTH neighborhood**

Dear Paperchase Trail and Hurdle Fence Drive Resident,

The Engineering Department completed the design of the sanitary sewers for the Paperchase Trail and Hurdle Fence Drive neighborhood and split the neighborhood into two standalone projects. As promised last summer, we have gone out to bid again for the southern project (see map attached). The bids for the project were received on January 27, 2017. Engineering has evaluated the bids and are prepared to provide meaningful information to you, the neighborhood residents.

Accordingly, the Avon Water Pollution Control Authority (AWPCA) is conducting a Public Hearing and informational presentation on the project on March 9, 2017 at 7:00 p.m. at the Avon Town Hall Selectmen's Chambers. At that time, the Town will present the design, discuss cost estimates, and provide an informational packet of materials.

It is the intention of the AWPCA to hear your comments, questions and concerns at this meeting before deciding whether to pursue the project.

We look forward to presenting the project and receiving your feedback.

Sincerely,

Lawrence E. Baril, P.E., GISP  
Town Engineer
