Subject: Quarterly Financial Report: Period Ended March 31, 2022

This report contains financial statements presented by the Town and Board of Education for the quarter ending March 31, 2022. The financial information presented for the fiscal years ending June 30, 2019, June 30, 2020, and June 30, 2021 in the accompanying report titled "Estimated Statement of Revenues, Expenditures and Changes in Fund Balance" is audited. Revenues, continued

Licenses, Fees & Permits

Receipts have been driven by Recording & Conveyance and Buildings, Structures & Equipment revenues, which are at 118.53% and 108.14%, respectively. The Building Department indicated one new single-family home permit issued in March 2022.

Intergovernmental

Receipts in this category are in agreement with expectations.

Charges for Services

A significant portion of the revenue budgeted in this category is not expected until the end the fiscal year. As of March 2022, receipts for charges for services were primarily made up of Landfill Permit Fees, BOE Sports Participation Fees, and BOE Pre-K Tuition payments.

Other Local Revenues

Investment income is lagging behind budgeted projections as a result of low interest rates. This has been partially offset by other revenue receipts, as well as a reduction in the budget for Other Local Revenues when compared to that of FY 2021.

Other Financing Sources

This amount includes: a \$519,000 use of Unassigned General Fund Balance, a \$250,000 use of General Fund Balance Assigned to the Board of Education, a \$85,269 Interfund Operating Transfers In, a \$150,000 use of General Fund Balance Assigned to Post-Employment Benefits, and a \$200,000 of General Fund Balance Assigned for Pension Contributions.

GENERAL FUND EXPENDITURE HIGHLIGHTS

Overall Town Operating General Fund Expenditures are shown to be 80.25% of what was budgeted for the year. This high percentage is the result of the Town's annual pension, OPEB, and HSA contributions being recorded in full prior to 03/31/2022. When the effects of these contributions are adjusted, expenditures are shown to be 74.99% of budgeted.

Other Funds, continued

Fund #10 Medical Claims Fund

This is an Internal Service Fund that is used to report the financial activity related to the medical insurance coverage of the Town's active employees, which includes contributions from all sources, as well as all claims and administrative expenses. The employer contributions to this fund are budgeted in the General Fund (both Town and BOE), and the Sewer Fund. As of March 31, 2022, fund expenses are 75% of the total expenditures budgeted for FY 2021/2022.

Fund #11 Local Capital Improvement Program (LoCIP)

State LoCIP entitlements are accessible to municipalities on March 1st. Authorization for application is typically presented to the Town Council for approval in April. This fund reflects revenues from Connecticut Water, the lease of land for farming, and interest earned on those proceeds. There is no approved budget for this fund.

This fund accounts for and reports assets held for funding retired employees' medical costs, as well as a portion of the actuarially determined liability for the Town's future post-retirement employee medical costs. Revenue from this fund is used to offset the annual budgetary obligation of the Town's employer share of post-employment medical costs. It is anticipated that the balance of this fund will be exhausted during FY 2021/2022, with its remaining balance transferred to the OPEB Trust Fund (Fund #19).

Fund #17 Compensated Absences Debt Service Fund

This debt service fund is used to account for financial resources to be used for the payment of compensated absences payable to retired or terminated employees.
