Subject: Quarterly Financial Report: Period Ended March 31, 2023

This report contains financial statements presented by the Town and Board of Education for the quarter ending March 31, 2023. The financial information presented for the fiscal years ending June 30, 2020, June 30, 2021, and June 30, 2022 in the accompanying report titled "Estimated Statement of Revenues, Expenditures and Changes in Fund Balance" is audited. All information presented for the fiscal year ending June 30, 2023 is unaudited. Included in this quarterly report is a report of the status of the Town's lease agreements, which are presented in accordance with the operating lease and capital debt policies, approved by the Town Council and Board of Finance in the spring of 2008. This report reflects no additions or deletions in the number of agreements from the prior fiscal year, but some Town lease agreements have expired with replacement agreements being put in their place.

The Quarterly Investment Review for the third quarter of calendar year 2022 for the Town and Board of Education Defined Benefit Pension Plans and Other Post Employment Benefit (OPEB) Trust and Retiree Medical Programs, which was prepared by the Town's Investment Advisor, Fiducient Advisors, has been provided along with this report.
