Property Tax & Assessments

Current levy collections are at 66.55% for FY 2024. As of 12/31/2022, current levy collections were at 63.68% for FY 2023.

Licenses, Fees & Permits

Recording & Conveyance revenues are trending lower than they were at this point in time in FY 2023 by \$112,709 (26.25%), whereas Building Permit Fee revenues are generally consistent (they are 3.51% higher in FY 2024).

Revenues, continued

Intergovernmental

There were no significant intergovernmental grant receipts in December 2023. The percentage of intergovernmental grant revenues received as of this point in the fiscal year has dropped relative to FY 2023. This is primarily due to a \$1,080,794 (54.47%) increase in the FY 2024 budget for intergovernmental grants in the General Fund.

Charges for Services

December 2023 charges for services revenues are consistent with those of the prior fiscal year. Much of the revenue received in this category is made up of landfill receipts and BOE receipts for sports participation, pre-k tuition, and parking. Recreation program revenue and special education tuition revenue are anticipated in the later half of the year.

Other Local Revenues

Other Local Revenues continues to be strong relative to the budget because of the current interest rate environment.

Other Financing Sources

The "Total Appropriation" column of Other Financing Sources includes the use of \$350,000 of General Fund Balance Assignments for Pension and OPEB contributions, as well as \$750,000 for a contribution to the Medical Claims Fund.

GENERAL FUND EXPENDITURE HIGHLIGHTS

Overall Town Operating General Fund Expenditures are shown to be 55.34% of what is budgeted for the year. When the balances of large purchase orders covering several months of the fiscal year are removed from consideration and annual employer health insurance expenditures are prorated, Town Operating General Fund Expenditures would be 48.02% of what is budgeted for the year, which is generally consistent with spending as of this point in time during FY 2023.
