EXPENDITURE HIGHLIGHTS

Fund #01 General Fund

Expenditures within the General Fund are not as cyclical or flexible as Revenues. They maintain a closer percentage tie to the budget on a straight-line approach. Currently, there are no major expenditure variances in the General Fund to report. Financial system reports indicate Town expenditures, including commitments and budgeted transfers, are at 29.8% (DB pension fiscal year employer contributions reflected in the high percentage reported). Expenditures (not including budgeted transfers) maintain a close percentage to the budget on a straight-line approach, which is 24.99%.

Expenditures, continued

Departments track their budget on a monthly basis to assure compliance with the approved budget. Transfer forms are required to be processed if an invoice indicates over expenditure at time of payment. Invoice is then returned to originating department. Utility expenditures continue to be closely monitored and activity reported on a quarterly basis. As in prior years, Accounting will monitor the budgetary impact of any unplanned emergency expenditures and research for any offset in unanticipated under expenditures.

Major expenditure variances in the General Fund are reported below with explanatory background documentation provided for each of the accounts. Expenditure variances in excess of \$10,000 are as follows:

220151014	Fire Prevention- Temporary Part Time	(\$12,690.20)
Over expenditure is due to an increase in part time staffing hours (Fire Marshall/EM positon has gone from full time to part time). To be covered by intradepartmental and interdepartmental transfers.
