Dear Avon Resident:

The Town of Avon Clean Energy Commission would like to help residents save money, reduce their energy bills, and make their homes more comfortable all year-round. The Town has partnered with Eversource to bring you Home Energy SolutionsSM, an Energize ConnecticutSM program.

We encourage you to visit **EnergizeCT.com/HES** or call **877-WISE-USE** and sign up to have an Eversource approved and insured contractor visit your home to evaluate its energy performance and to install energy-saving measures on-the-spot. For \$124,* the average household will receive approximately \$1,000 in products and services, including:

- Long-lasting, energy-saving LED light bulbs
- Water-saving devices
- Air sealing to get rid of drafts and cold spots
- Safety tests on your heating equipment
- A report on your energy usage and ways you can save more
- Rebates, incentives, and financing options to make additional energy improvements more affordable

After the visit, the average household saves about \$200 each year on energy bills. Your participation in Home Energy Solutions this calendar year also benefits our town—it makes us eligible for grants to pursue more energy-saving projects.

Please Join us for an Upcoming Home Energy Solutions Event! “Save Money & Energy in Your Home”

For the General Public

When: Tuesday May 9, 2017
from 6:30 - 7:30 p.m.

Where: Avon Free Public Library
281 Country Club Road

For Seniors “Lunch & Learn”

When: Friday May 26, 2017
at 12:00 noon

Where: Avon Senior Center
635 West Avon Road

Please visit the Avon Clean Energy Commission's website www.avonct.gov/avon-clean-energy-commission for information about future energy-related programs and events!

We would like to thank you for helping to make Avon a cleaner and more sustainable community.

Sincerely,

Brandon Robertson
Town Manager
