SPECIAL REVENUE FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Forest, Park, and Open Space Management Fund (04)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

To provide a dedicated source of revenue from and for improvements and maintenance to, town owned or managed forests, parks and open space areas. In 1986, the Avon Natural Resources commission requested a review of several of Avon's Open Space properties by the Eastern Connecticut Environmental Review Team. During this same period, the Town staff began a study and review of the feasibility of managing the Town's open space to determine proper management and maintenance techniques. Both studies were positive and a ten (10) year natural resource management plan was produced by the firm of East-West Forestry Associates (now Ferruci & Walicki). This plan was updated in 1998. The goal of the plan is to carefully manage the land for the current and future residents of Avon. To have a minimum impact on the natural character of the property while providing increased access and use through an expanded hiking and cross country ski trail system, interpretive nature trails and wildlife management demonstration areas. Town Council approved the creation of the fund on August 4, 1988, and the Board of Finance approved it on September 14, 1988.

Expenditures shall be limited to direct or indirect improvements to and/or maintenance of town owned or managed forest, park and open space properties. The time, method, terms, and amount of any appropriation or expenditure shall be determined by the Town Council in accordance with the Town Charter and appropriate town policies.

PROGRAM COMMENTARY

A new, ten-year Forestry Management was implemented in 2009. In fiscal years 2009/2010 through 2013/2014, the timber sale was deferred, due to low market value of timber, so the revenue source for those fiscal years was from Unassigned Fund Balance. Revenue for fiscal year 2018/2019 came from Unassigned Fund Balance. For fiscal year 2019/2020 the revenue source is Unassigned Fund Balance. For fiscal year 2020/2021 the revenue source is anticipated to come from Unassigned Fund Balance.

SPECIAL REVENUE FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Sewer Fund (05)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

The Avon Water Pollution Control Authority, established pursuant to provisions of the Connecticut General Statutes, is responsible for planning and directing the installation, operation and maintenance of the public sanitary collection system in Avon. This activity also provides for inspection of the repair or new construction of connections to the collection system.

The Town of Avon does not own its own sanitary sewer treatment plant and, accordingly, contracts for treatment with the Towns of Farmington, Simsbury, and Canton. The Town pays for treatment on the basis of volume of effluent and in accordance with inter-town agreements and because of this, the Engineering Department wishes to study, and then remedy, leaks or illicit discharges into the collection system.

The Sewer Fund is used to account for all sewer related revenues and expenditures. Revenues are produced by sewer use fees, connection charges, sewer permits, benefit assessments, and inspection fees. Revenues may also be collected for the State mandated Fats, Oils and Grease (FOG) program.

Special assessments are paid (completely or in part) by property owners whose properties specifically benefit from sewer extension projects. This distinguishes them from improvements that benefit the entire sewer user community and are paid for with sewer fund, or through issuance of general obligation bonds retired from general governmental resources. Residential zoned properties are assessed at unit rates based on the existing zone designation of the assessed property and real construction costs. Non-residential properties are assessed based upon lot frontage in addition to a charge per square foot of building area.

Property owners typically have the option of paying their special assessments in a lump sum or in interest-bearing annual installments over the life of the bonds or assessments at comparable rates. Special assessment bonds were last issued in 1976 and 1983. These bonds have since been retired. Interest revenue on installment special-assessments receivables are used to pay interest costs on special-assessment bonds or to reimburse the Sewer Fund for prior years' payments.

PROGRAM COMMENTARY

Estimated sewer use revenues for this coming year reflects an increase from the amount budgeted for fiscal year 2019/2020 sewer use, and Avon's share of the Farmington sewer treatment plant. The charge per equivalent dwelling unit (EDU) is currently \$515. Total sewer-use-based revenues are estimated as follows: 5,875 EDU x \$515/EDU charge = \$3,025,625. Connection and assessment revenue estimates are based on payments for either previously defined connections or assessments, or connections or assessments expected to take place after June 30, 2019.

Avon has made numerous payments to Simsbury for the upgrade of their treatment plant and we are on a monthly payment program with them. Avon's share of this upgrade is approximately 23.2% of the cost. All costs are paid by sewer fees which are wholly funded by users with access to the public sewer. The annual cost for this is \$293,528/year and will be paid off in September of 2027. The AWPCA is looking

PROGRAM COMMENTARY (cont'd)

to change the annual billing structure from annual to bi-annual. There are discussions about re-configuring the current sewer-use billing from a single-payment flat fee to a semi-annual payment with a flat fee and a usage-based component. The usage-based component of the sewer-use fee will provide a mechanism that reduces costs for low-volume users fairer bill format for all residents and fairly shifts costs to higher volume users.

Farmington is in the process of constructing another upgrade/expansion to their treatment plant which will cost an estimated \$67,000,000. Avon's share in the cost of this has yet to be determined and the terms of payment have not been derived as yet, but we anticipate an annual installment payback program.

The Engineering Department is in the process of designing mainline sewer expansions into 2 additional neighborhood areas as of this writing. We anticipate going out to bid for the construction of one of these in the next 2 years if the AWPCA elects to proceed.

The following sewer-related capital projects were requested to be paid by the Sewer Fund:

1. Lateral Extension Program: \$660,000 has been requested to fund extension of public sewers as recommended in the updated Town-wide Sewage Facility Plan and in conjunction with the DPW's pavement requests.
2. Infiltration and Inflow: \$50,000 has been requested to fund remedies to issues found during the study of leaks within the collection system. In future years we are requesting funding to perform an I&I study on our Simsbury sewer shed (note that this work is to be 55% reimbursed under the Clean Water Fund managed by CTDEEP).

**TOWN OF AVON
POLICE SPECIAL SERVICES
SPECIAL REVENUE FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Police Special Services (07)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

Police Special Services Special Revenue Fund was established in 2008 for the purposes of: providing Police services on a reimbursement basis to individuals, businesses and groups for which the Town is, in turn, compensated.

Expenditures are incurred from submission of an Avon Police Department Extra Duty Slip from the Police Department. Additions to this Fund are from a specific revenue source, Charges for Services, Police Services, which would occur as a result of Accounts Receivable billing to individuals, businesses and various groups reimbursing the Town for direct payroll cost, plus overhead, per the Town of Avon Administrative Policy #2.7. Additions to this fund can also be from transfers in. Transferred resources normally occur at the end of a fiscal year in order to bring an account, or in this case a fund, into budgetary and charter compliance.

PROGRAM COMMENTARY

The Police Special Services Special Revenue Fund was created in fiscal year 2007/2008, and approved by the Town Council in March 2008 and by the Board of Finance in April 2008. The fund became active at the beginning of fiscal year 2009/2010. In fiscal year 2020/2021, a budget of \$39,186 is proposed.

PROGRAM PERFORMANCE MEASURES

Program Performance Measures will be developed and collected in fiscal year 2020/2021 and will likely include benchmark and target collection rates and a breakdown of actual hours spent on major/minor jobs.

RECREATIONAL ACTIVITIES FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Recreational Activities Fund (09)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

This fund includes reimbursable expenses associated with the running of approximately 365 activities run by the Town for all ages throughout the year. Fees are charged for all programs that cover administrative costs for part-time program coordinators, clerical assistance and program supervision, along with covering all direct costs.

PROGRAM COMMENTARY

Fees collected in this account more than compensate for expenditures. Changes have again been made within accounts to more accurately reflect actual line item expenditures, including Capital Expenditures. Much of the burden of increases in the General Fund Operating Budget has been shifted to this and the Facility Maintenance account, including payroll accounts for programs.

FACILITY MAINTENANCE SPECIAL REVENUE FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Facility Maintenance Fund (09)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

This fund includes reimbursable expenses associated with the maintenance, operation, and small capital improvements to facilities. The purpose of this fund is similar to the Special Revenues – Recreation Fund in that users will assume a greater responsibility in the ongoing operation and care of the facilities, and thus reducing dependence on the General Fund budget – yet not reducing services.

PROGRAM COMMENTARY

Revenue and line item expenditure adjustments have been made based upon expenditures. 15% of the Department's Regular Part-Time Administrative Secretary position is funded in this account. A \$5.00 Facility Maintenance fee was added to every Recreation Department registration in 2003, all field and facility rental fees are deposited to this account, and beginning on July 1, 2009, all sport leagues were assessed \$5.00 per registration to fund expenditures brought to this account from the General Fund. Effective January 1, 2017 that increased to \$6.00 per registration.

SENIOR CITIZEN ACTIVITIES SPECIAL REVENUE FUND
REVENUE AND EXPENDITURE BUDGET
FISCAL YEAR 2020/2021**

NAME OF FUND: Senior Citizen Recreation Fund (09)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION

This fund includes reimbursable expenses associated with the all-senior activities designed and maintained by the staff at the Senior Center/Community Room. The purpose of this fund is similar to the Special Revenues - Recreation Activities fund, so that the Senior Citizens who use the programs will assume a greater responsibility for the activities in which they participate, without dependence upon the Recreation Activities fund. In time, other line item accounts may be added as experience with the operation of the fund evolves – and the economy improves.

PROGRAM COMMENTARY

Historically, fees collected in this account have exceeded contract and material expenditures. This is the eighth year of the Fund; the three line items requested reflect estimated expenditures.

**TOWN OF AVON
POST-RETIREMENT EMPLOYEE MEDICAL BENEFIT TRUST FUND
FISCAL YEAR 2020/2021**

NAME OF FUND: Post-Retirement Employee Medical Benefit Reserve Fund (16)

FUND TYPE: Special Revenue

PROGRAM DESCRIPTION:

This fund was originally created pursuant to the authority granted under Section 7-403a of the Connecticut General Statutes. The purpose of this special revenue fund was to provide funding for the actuarially determined share of the Town of Avon's liability for post-retirement employee medical costs and to fund all or part of such liability on an annual basis using revenues generated by the Trust Fund. The Town shall budget and deposit sufficient funds to the Trust Fund in accordance with the recommendations of the actuary as contained in the actuarial report. Revenues earned from the Trust Fund are to be used to offset annual budgetary obligations of the Town of Avon, which have been incurred in funding the employer's share of employee post-retirement medical costs. Funds shall be invested in accordance with the Town's investment policy and managed by an independent investment manager selected by the Town Council. Costs for management of the fund shall include, but not be limited to, direct administrative, actuarial, and investment management costs, which are to be charged to the Fund. Fund principal shall not be used to fund the liability or the costs of the fund; interest earnings greater than costs incurred by the Town shall accrue to the fund but shall not be used to pay for expanded medical benefits, or reductions in the employee's share of medical expenses, unless authorized by the Town Council.

At the Town Council meeting of June 4, 2009, approval was sought and received to set up a trust fund for other post employment benefits which would allow the Town to invest more aggressively for this liability. The pension investment advisor will make recommendations as to how the money is invested and build strategic targets and allocations based upon the actuarial demographics. The Ad Hoc Pension Investment Advisory Committee reviews the recommendations before approval and implementation. The reserve fund will continue to exist until exhausted with a portion transferred to the trust fund on an annual basis to supplement the budgeted amount. The plan is to phase-in over a period of seven years increasing the contribution so that in the final year of phase-in the annual required contribution would be met.
