TOWN OF AVON MEDICAL CLAIMS INTERNAL SERVICE FUND REVENUE AND EXPENDITURE BUDGET FISCAL YEAR 2020/2021

NAME OF FUND: Medical Claims Internal Service Fund (10)

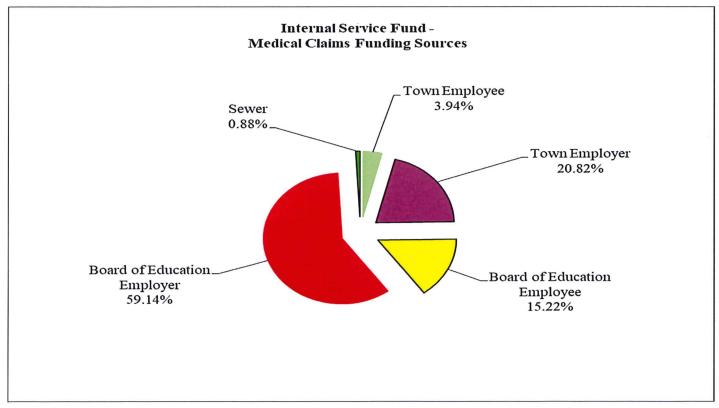

FUND TYPE: Proprietary

PROGRAM DESCRIPTION

For budgeting purposes, the appropriations for this fund are within the General Fund and Sewer Special Revenue Fund, in benefit object number 51033, for the Town, in the amount of \$1,691,492 for current employee's health benefits. For the Board of Education, the appropriations are budgeted in the General Fund. In the past, current active employees' health revenues and expenses, and retiree health revenues and expenses, have been reported in this fund. Beginning in 2017/2018 and going forward, due to the implementation of GASB Statements 74/75, the financial reporting requirements have expanded significantly and retiree activity is reflected in a separate Fiduciary Fund, Other Post-Employment Benefits Fund.

For reporting purposes, the Town will continue to report a separate Medical Claims Internal Service Fund within the Proprietary Fund Type and include contributions from all sources for active employees in Fund 10. Retiree Health Other Post-Employment Benefits Program information for the Town and Board of Education can be located in Tab P, Fund 19. The table on page Q.2 is the revised budget for Fund 10.

Management instituted an audit recommendation to account for the financing on a cost-reimbursement basis for medical claims services provided by one agency to other departments. This fund is to account for the revenues and expenses related to the Town and Board of Education's medical insurance plan. Town Manager's Request, Town Council Recommended, and Board of Finance Adopted include Board of Education, General Government, and Sewer Fund. To our knowledge, all proposed sources of revenues and all proposed estimated expenses are allocated to the new activity accounts.
