

## Who Are We?

You already know us. We're your neighbors. We are mothers and fathers, husbands and wives, sisters and brothers. We're landscapers, students, plumbers, presidents and CEOs, doctors, attorneys, engineers, contractors, paramedics, administrators, bankers, teachers, business owners just to name a few.

## We Need You!

- Help us, help you! We are in need of volunteer firefighters to help us stay a volunteer organization!
- Not trained? Don't sweat it, we will train you. While all of our members of the department are volunteer, we are all professionally trained at no expense to the member.
- What can you volunteer to do? You can become a Firefighter, Fire Police Member, or Administration Member!
