Application # _____

In the case of an application which is subject to a public hearing, please list below the name(s) and mailing address(es) of the owner(s) of record of all properties which abut the subject parcel(s) and those property owners which are directly on the opposite of the street of the subject parcel(s) for which this application is made. This information is available from records in the office of the Assessor. If possible, this list should be prepared by the project land surveyor or professional engineer. This information will be used by the applicant to notify property owner(s) of any public hearing which may be scheduled.
