Our new programs are getting a lot of “buzz” so come see what all the excitement is about! There is something for everyone!

As always, we thank you so much for being a part of our senior center family! We love having you here and we enjoy spending time with you!

Please stay safe, healthy & warm this month! If you're looking for a place to hand your hat during the day, you can always come inside the senior center! We love company!

Respectfully, Jennifer Bennett, LMSW

Avon Senior Center has lost a number of our senior center family members recently.
Thank you for being our friends and brightening our lives while you were here.

Sadly missed along life's way,
quietly remembered every day...

No longer in our life to share,
but in our hearts, you're always there.

Avon, formerly part of Farmington, is a natural extension with additional historic sites that now lie within the boundaries of the Town of Avon, have been added to the program. These latest additions of historic sites in Avon include the Derrin houses along West Avon Road along with historical narrative information one can access simply by clicking on the relevant POI. Senior Organization President's Message

January Presidents Message

And now let us welcome The New Year 2016 full of things that have never been.

January, the month of cherished New Beginnings and memories beckons. Come let us enjoy her magic spell; cold, crisp, woolen muffler days, long dark evenings of savory suppers, lively conversations, or solitary joys. Outside the temperature drops as the new snow falls softly. I was hoping to say we won't have any snow this year, but I know we are going to get some. All of nature is at peace - we should be too. This is the month to dream and to look forward to the year ahead and the journey within.

As I've said before - no New Year's resolutions for me - I just can't keep them! However, I do have wishes and I'll share one of them with you:

ONE is all it takes! One wish is enough to set a dream in motion. ONE act of kindness is enough to lift someone up. ONE decision is enough to change your life or someone else's. And ONE person is enough to make the difference, especially when the person is YOU!

Silently I say "Happy New Year to all of us, all over this troubled world. May we make it a year of loving - kindness and gentle hearts."

Healthy Happy New Year!

Arthur
