The Avon Volunteer Fire Department will be here as they speak about
fire safety. One of Avon's finest volunteers will be here to answer
questions and show off a fire engine!

Dog Star Rescue will be here with lovable pups
looking for a new, fur-ever home!

Dog Star Rescue, Inc. is a grass-roots
effort started by a group of dog lovers with
experience in the rescue world. We work
closely with shelters in the South as well as
the New England states to save the lives of
loving and loyal dogs that have lost their
way and find themselves on death row.
Our volunteers get these dogs the medical
and emotional care they need so they can
transition into a loving forever home.

Clementine's Studio of Avon will be here
showing off their incredible classes in creativity
for children of all ages!
