TOWN OF AVON – PURPOSE AND CONTENT

PURPOSE AND CONTENT

Understanding a municipal budget can often be a confusing exercise for the typical resident of any community. This introduction attempts to provide background material for the average person to understand and use this budget document.

This fiscal year 2015/2016 budget document is comprised of legally required budget information as well as various illustrative graphs and background information that may be helpful to the reader. In order to facilitate its use, it has been structured to first present summary information and then progressively more detailed information. This budget document is divided into five sections. Each of these sections is further divided into subsections that present various kinds of information. All funds are included in the audited financial statements.

Please note that throughout this budget book, we have used Excel spreadsheets to prepare our charts and graphs. Keeping that in mind, combined with the fact that we round off to two decimal places, there may be a few instances where the calculated percentages are slightly off (i.e. 100.01%).

1. Budget Overview

2. Introduction Section (Tab A)

This section describes the organization of the budget document and provides background information about the Town of Avon, its government and management organization.

Subsections within this Introduction Section are as follows:

- Organizational Chart and Principal Officials
- Purpose and Content
- General Information about Avon
- Demographic Statistics
 - a. Demographics and Economic Statistics
 - b. Assessed and Estimated Actual Value of Taxable Property
 - c. Principal Taxpayers
 - d. Principal Employers
 - e. Operating Indicators by Function/Program
 - f. Property Tax Levies and Collections
 - g. Capital Asset Statistics by Function/Program

3. Revenue Section (Tab B)

This section presents detailed analysis of all budgeted funds supported by appropriate tables. Revenue estimates for key revenue categories are examined in detail. Subsections within the Revenue Section are as follows:

- Overview
- Property Taxes and Assessments
- Intergovernmental Grants
- Licenses, Fees and Permits
- Charges for Current Services
- Other Local Revenues
- Special Revenue Funds
- Use of Fund Balance: General Fund
- Revenue Detail: All Funds, General Fund, Special Revenue Funds
- Combining Statements of Revenues, Expenditures and Changes in Fund Balances in Governmental and Nonmajor Governmental Funds

4. Expenditures Section (Tabs C-Q)

This section presents a broad picture of all Town expenditures. It shows expenditure plans on a department or fund basis, including organizational charts. The Avon Board of Education submits a separate detailed budget document on all expenditures, including appropriate analysis directly to the Town Council by February 15, as specified in the Town Charter; a summary of the Board of Education's Budget is located in the subsection entitled General Fund - Education and Cultural.

Subsections within the Expenditures Section are as follows:

- Overview Municipal Budget Highlights
- Expenditures by Fund
- Expenditure Definitions and Expenditure Chart as follows:

General Fund (Appropriated): The General Fund is the general operating fund of the Town and operates under a legal budget. It is used to account for all financial resources except those required to be accounted for in another fund.

- a. General Government
- b. Public Safety
- c. Public Works
- d. Health and Social Services
- e. Recreation and Parks
- f. Cultural and Education
- g. Conservation and Development
- h. Miscellaneous
- i. Debt Service

Capital Projects Funds (Appropriated): Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities. They are also used to account for appropriations and expenditures of capital projects. Expenditures are budgeted on a non-lapsing basis.

Capital and Nonrecurring Expenditures Fund (CNREF): To account for appropriations and expenditures related to certain capital and large nonrecurring expenditures. The Fund is authorized by Connecticut General Statutes as a mechanism for establishing a "reserve" for future large expenditures. Statutory limits are placed on the annual addition and total accumulation of the reserve.

CIFA: To account for various other projects and capital expenditures over \$20,000 in cost and with an expected life of at least five (5) years. Financing for these costs came from General Fund appropriations and general obligation bond proceeds.

Fiduciary Funds (Appropriated within General and Sewer Special Revenue Funds): Trust and Agency Funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, other governments or other funds. These include pension trust and agency funds.

Pension trust funds are accounted for similar to private business. They account for the accumulation of resources for pension benefit payments to qualified employees: Police, Public Works, Non-Organized, Board of Education, and Dispatchers. The appropriations for this fund are in the General Fund and the Sewer Special Revenue Fund.

TOWN OF AVON – PURPOSE AND CONTENT

Other Post Employment Benefits Trust Funds provide funding for the actuarially determined share of the Town of Avon's liability for health and other post-employment benefits to retired employees of the Town.

Special Revenue Funds (Appropriated): Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes and operate under legal budgets.

Forest Park Management Fund: To provide a dedicated source of revenue from, and improvements and maintenance to, Town-owned or Town-managed forests, parks and open space areas.

Sewer Fund: To account for the collection of sewer use charges used to partially defray the operating expenditures related to sewer use and to account for the collection of inspection fees which are used to reimburse the Town for engineering and inspection services incurred by the General Fund. The fund also accounts for the collection of sewer connection charges and sewer assessments.

Police Special Services: To account for Police services on a reimbursement basis to individuals, businesses and groups for which the Town is, in turn, compensated.

Town Aid Road Fund: To account for improvements to Town roads funded by State funds.

Recreational Activities/Facility Maintenance/Senior Citizen Recreation Funds: To account for various programs conducted by the Recreation Department and include covering all direct costs for reimbursable expenses associated with running these activities.

Local Capital Improvement Program: To account for funding pursuant to Public Act 87-584 to reimburse municipalities for funds spent on infrastructure projects.

Fisher Meadows/Fisher Old Farms: To account for uses of conservation, farming, recreation, and open space in accordance with deeds, agreements, and grant requirements of the Fisher Family and the State of Connecticut.

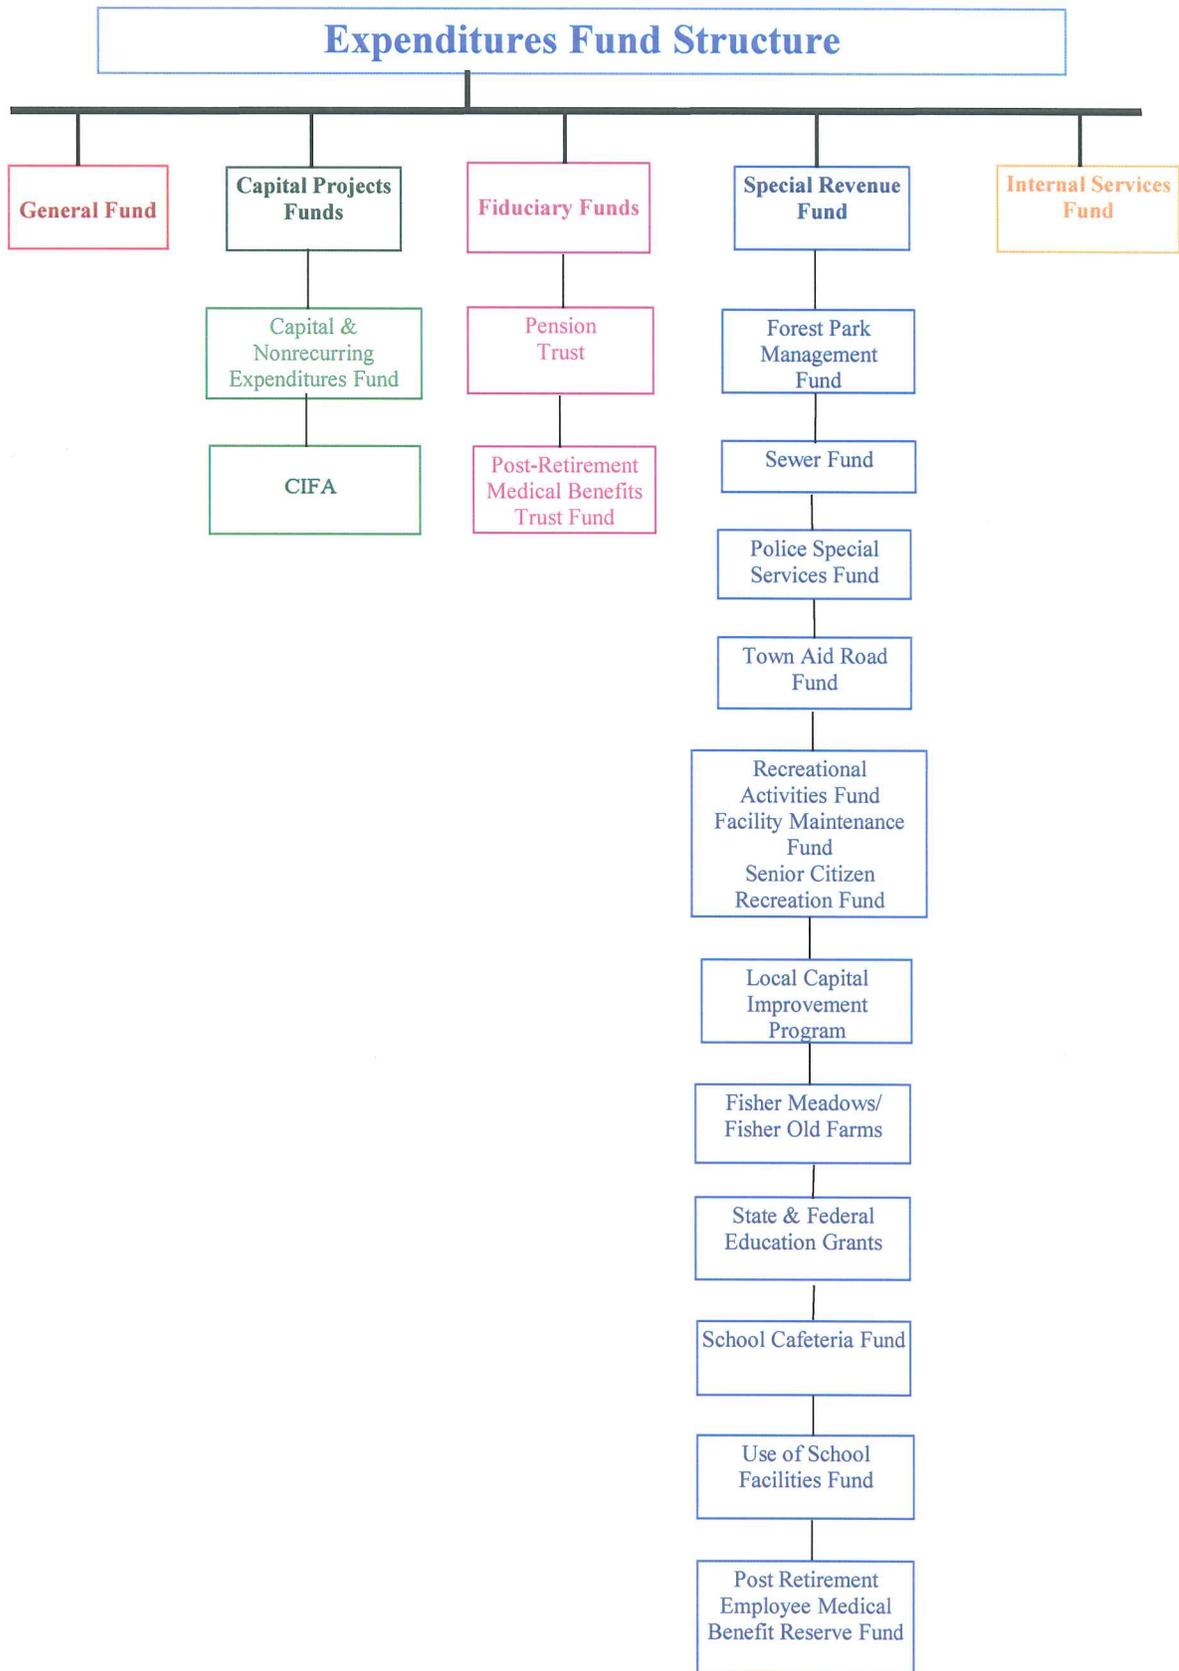

State and Federal Education Grants Fund: To account for State and Federal education prepayment grants. Resources utilized in the various programs for this fund are determined by the Board of Education.

School Cafeteria Fund: To separately account for the operations of the school cafeterias. The Town's participation in the State-administered Federal Child Nutrition Program is reported in this fund.

Use of School Facilities Fund: To account for user charges and expenditures associated with the after school use of Board of Education facilities by outside organizations.

Post-Retirement Medical Benefits Trust Fund is to provide funding for the actuarially determined share of the Town of Avon's liability for post-retirement employee medical costs and to fund all or part of such liability on an annual basis using revenues generated by the Trust Fund.

Internal Services Fund (Appropriated within General and Sewer Special Revenue Funds): The Internal Service Fund is used to account for risk financing activities as allowed by GASB Statement No. 10. The Medical Claims Fund is the Town's only Internal Service Fund. The appropriations for this fund are in the General Fund and Sewer Special Revenue Fund.

Basis of Budgeting and Basis of Accounting

The “basis of budgeting” determines when revenues and expenditures are recognized for the purpose of budgetary control. The “basis of accounting” determines when revenues and expenditures are recognized for the purpose of financial reporting. Avon’s budget is based upon expected cash receipts and disbursements (cash basis), does not budget for encumbrances and depreciation, and Avon’s expenditures may not exceed the appropriation at the object level within the department. The Town uses a hybrid basis of accounting termed “modified accrual” for governmental fund types, including the General Fund, special revenue funds, debt service funds, and capital project funds. For proprietary and fiduciary fund types (trust), full accrual is used and does not include depreciation expense for budgeting and accounting, but fiduciary fund types (agency) use modified accrual for accounting. Please refer to the Glossary, pages 1 and 2 for full definitions.

5. Capital Improvement Program Section (Tab R)

This section presents an overview of the Capital Improvement Program, including details of projects to be funded in the fiscal year beginning July 1, 2014. A detailed listing of each Capital Improvement Program project included in the five-year program is published as part of this section. Subsections within the Capital Improvement Program Section are as follows:

- A. Overview
- B. Capital Improvement Program, Project Summary
- C. Capital Improvement Program, Financial Summary by Source
- D. Capital Improvement Program, General Review Requirements by Function

6. Supplemental Data (Tab S)

The appendix presents supplemental detailed charts, and tables of interest on specific aspects of the budget as follows:

- A. Roadway Improvement Program
- B. Uniform Code of Accounts
- C. Town of Avon Administrative Policy Memoranda

GENERAL INFORMATION ABOUT AVON

The information about Avon, provided below, is designed to give an overview of the community. It is drawn from, and supplemented by, additional information located in the Appendix (Statistical Tables). This information should aid the reader in understanding Avon's form of government, its management structure, and the services provided by the Town Government and Board of Education.

Historical Background

Avon, formerly Northington or North Parish of Farmington, was settled about 1645. In 1830, after the construction and opening of the Towpath Canal, Avon was incorporated as a town and took its name from the Avon River in England. The Town is located approximately ten miles west of metropolitan Hartford and encompasses an area of approximately 22.6 square miles, or 14,454 acres.

Natural Features

The Town's topography contains many natural features. Steep ridges and rolling hills give Avon its unique character. Approximately 2,175 acres (15%) are wetlands, 329 acres (2%) are on floodplain, and 2,140 acres are on slopes of greater than 15%. The Farmington River flows south through the western portion of Town and then uniquely flows north through the eastern portion of Town. This water course represents a major aesthetic, recreational, and fresh water supply to the region. About 80% of the Town is developed. Under current Regulations, there still remains the potential for about 800 additional housing units. There are 2,600 acres of land, or 18% of the Town, that are permanently protected as open space.

Description of Government

Incorporated in 1830, the Town's first charter was adopted in 1959 and has been amended several times, most recently in 1998. The Charter provides for a Town Meeting, elected Town Council which is the principal legislative body, elected Board of Finance, and an elected Board of Education. It also provides for a Town Manager and Superintendent of Schools as Chief Administrators. Local elections are held every two years in odd-numbered years during the month of November. The Town comprises three voting districts with elections-at-large. The five-member Council takes office January 1st and elects its chairman.

SUMMARY OF SERVICES

Education

Avon's Public Schools have a student enrollment of 3,320 as of October 1, 2014, a decrease of approximately 200 students since 2005. The school facilities consist of a high school that was constructed in 1957 and updated several times, with the most recent modification and addition completed in 2008. A 7.1 million dollar renovation and addition to the Avon Middle School was completed in 1994. The school was originally constructed in 1970 for grades 6-8. In addition, two schools serve the elementary school population. The newest of the elementary schools is the Pine Grove Elementary School which was opened in September 1991. The other elementary school, Roaring Brook, was renovated and expanded in 1994. Grade 5/6 school, Thompson Brook School, was opened in the fall of 2002. Several private nursery schools serve preschoolers. There is one private boys' school, Avon Old Farms School. The Town is also home to the Talcott Mountain Science Academy and The Reggio Magnet School of the Arts.

Education, continued

The Avon public school system has a professional staff of 16 administrators, 295 full-time equivalent teachers. Special Education programs are available for disabled children. The college entrance record for Avon High School has been excellent, with over 96% of the graduating class of 2014 having elected to participate in some type of post-high school education.

The education operating costs for fiscal year 2014/2015 were \$51,903,086, which includes Special Revenue Funds, the Cafeteria Fund and Pre-Paid Grants Fund.

Recreation and Parks

The Recreation and Parks Department is responsible for the planning, coordination and general administration of all park and recreation programs. In addition, the Director also administers the use of the Avon Senior Center/Community Room, a public hall at Countryside Park, and 1,155 acres of active and passive park land in thirteen separate areas.

Avon has five neighborhood parks containing a variety of active recreation facilities. Sycamore Hills Recreation area provides tennis, swimming, picnicking, three playscapes, sand volleyball, basketball, and a large event pavilion. Countryside Park offers picnicking, a trail system and fishing. Sperry Park contains four Little League fields (two are lighted) and two entrances to the Farmington Valley Greenway. The Huckleberry Hill Recreation Area has a basketball court, an all-purpose field, and a trail system for walking, jogging, and camping. The Buckingham Road Recreation Area has two all-purpose fields, a regulation baseball field, and a fully accessible children’s playground.

Also Meadows – 56.20 acres. Route 44 and Waterville Road. Access between Boyle’s Furniture & Rugs and Apple Health Care, Inc. off Waterville Road (Route 10) and adjacent to the Farmington River. A largely undeveloped and unsupervised natural area consisting of woods and open meadows.

Recreation and Parks, continued

Used for: walking, hiking, jogging, cross country skiing, canoeing (launch available), and camping (with permission). Garden Plot Program is located here. Part of the Forestry Management Program.

Fisher Meadows is the Town's community-wide park, containing 250 acres, with 25 acres of active recreation facilities, including four regulation soccer fields and four regulation softball fields. Adjacent undeveloped areas in Fisher Meadows, including the 41 acre Spring Lake, provide opportunities for hiking, fishing, non-motorized boating, and interpretive nature trails. The Town purchased an additional 315 acres adjoining Fisher Meadows in 2002. The intent of this purchase was to preserve open space and provide a limited trail system adjacent to the Farmington River. The remainder of the property will be leased for farming purposes for the foreseeable future.

In addition to Town-owned facilities, there are many privately owned and operated facilities within Town Boundaries. The Town has three private golf courses, of which two are open to the public. The Farmington River, which passes through Avon, offers a variety of recreational activities such as flat and white-water canoeing, kayaking, and fishing.

Public Library

The mission of the Avon Free Public Library is to serve as the center of enrichment for the Avon community by providing free and convenient access to information, literature, culture and the arts through a variety of media and technologies. The Library, originally built in 1982 and expanded in 1997, underwent a major renovation and expansion in 2011-12, adding 22,000 square feet, a computer lab, a teen room, additional parking and a drive-thru book drop. There is a staff of 37 (8 full-time and 29 part-time), with a collection of 117,962 items, including books, compact disks, and DVDs. Annual circulation for fiscal year 2013/2014 was 297,784. The Library has over 9,000 card holders, more than 50% of the Town's population.

The Library is a member of a cooperative regional automated circulation and database system, to which 30 capital region libraries belong. Through this system and reQuest, a statewide on-line catalog, over 5 million volumes are available to borrowers through inter-library loan, the statewide reciprocal borrowing arrangements encompassing over 160 libraries.

Police Department

The Avon Police Department has a sworn staff consisting of 31 regular officers with three vacancies at present, one supernumerary officer, six civilian dispatchers, one administrative secretary, and two full-time records clerks. Avon is part of the Hartford County Police Radio System and is linked by computer to the Connecticut Motor Vehicle Department, the State Police, and the National Crime Information Center (NCIC) in Washington, D.C.

The Department philosophy is service to the community through support of and involvement in D.A.R.E. (Drug Abuse Resistance Education), Avon Police Cadets, Connecticut Special Olympics, FBI Youth Leadership Program (Conn. Chapter), and the Citizen Police Academy. The Department also participates in the Juvenile Review Board, which offers those youthful offenders who meet certain criteria (as established by the Board) an alternative to remediation through the State criminal court system.

As the Town's first responders, all police officers are certified medical response technicians and all patrol vehicles are equipped with Automated External Defibrillators (AED). The Patrol Division also has a Bicycle Patrol Unit which is equipped with a portable AED. The Patrol Division actively

Police Department, continued

participates in many regional programs such as the Computer Crimes Task Force, North Central Municipal Accident Reconstruction Squad and the North Central Emergency Service Team, more commonly known as SWAT. The Department counts among its ranks a Commercial Motor Vehicle Safety Alliance-certified officer and works closely with the State's Motor Vehicle Department Truck Inspection Division. The Department's Digital Forensic Specialty Unit has been established to conduct advanced investigation into crimes involving digital technology.

Fire Department

The Avon Volunteer Fire Department, Inc. provides fire suppression and prevention, life safety and rescue support as well as other emergency community support to the citizens of the Town of Avon. The Fire Department maintains four fire stations located throughout town as well as 17 pieces of fire apparatus. Stations are located on Darling Drive, Secret Lake Road, West Avon Road and Huckleberry Hill Road. There are currently 76 active firefighters, 8 fire police, 20 administrative members, 19 explorers, 21 active veterans, 10 senior veterans, 32 lifetime members and 14 honorary members. East and West Main Streets are completely served by hydrants within the business area and the Town's fire protection ISO rating is 4/8b. The Department's active fire prevention program has helped to keep the number of structure fires in town at a minimum. All members of the Department are purely volunteer, and are trained to the highest available levels.

Health Department

The Farmington Valley Health District is responsible for protecting the health of Avon residents—this work is done by: ***Promoting*** health programs and policies that support good health; ***Preventing*** disease outbreaks and conditions that give rise to poor health; and ***Protecting*** residents from health threats. Avon's Town Manager and a citizen of the Town are active members of the District Board of Health.

Planning Department

The Department of Planning and Community Development is comprised of the divisions of Planning, Zoning Enforcement and Environmental Compliance, Building Inspection, and Fire Prevention. The Department is responsible for the review of all new commercial and residential construction projects, which includes providing professional and technical assistance to the Town's three land use agencies (Planning and Zoning Commission, Inland Wetlands Commission, and Zoning Board of Appeals); permitting and inspection of all approved projects in accordance with applicable zoning, building, and fire codes; as well as a comprehensive program of inspection aimed at fire prevention.

Under the direction of the Director of Planning, the development process, which often begins with an application to one of the Town's four land use regulatory agencies, is coordinated with permitting and inspection. Additional efficiencies are realized through cross training in each division. The Director of Planning also serves as the Zoning Enforcement Officer. The Building Official is also a certified Fire Marshal. The Fire Marshal is certified as a Building Official and serves as the Town's Emergency Management Director. The Community Development Specialist is a certified Zoning Enforcement Official.

Finance Department

The Finance Department is composed of three divisions; Accounting, Assessment, and Revenue Collection. Under the guidance of the Director of Finance, this department coordinates the day-to-day financial management of Town funds. The Finance Director coordinates preparation of the Comprehensive Annual Financial Report (CAFR), and coordinates the bond rating and sale process. The Division of Accounting is mainly responsible for maintaining and controlling the financial records of the Town, and processes all payments for Town expenditures. Accounting also prepares various reports and schedules in preparation of the CAFR, provides cash management, manages banking relationships, and processes payroll for Town employees. The Division of Assessing is responsible for preparation of the Town's annual Grand List, which is a complete listing of all properties in Town, listing its ownership and assessed value as of October 1st of each year. The Collector of Revenue is responsible for collection of all taxes, special assessments, sewer use fees and other Town revenues. These collections are governed by State Statute and local ordinance. The Finance Department also disseminates fiscal information to various Town departments, Boards and Commissions, the State of Connecticut, and the United States Bureau of the Census.

Public Works

The Avon Public Works Department (DPW) consists of 22 full time employees and 3 part time employees and is divided into five divisions: Administration, Roadways, Building & Grounds, Machinery & Equipment and Solid Waste.

The Administration Division is responsible for the direct oversight of all divisions. It manages the day to day operations of the department and capital projects as directed by the Town Manager. It is also responsible for both short term and long range budget development and administration.

The Roadways Division is responsible for the improvements and maintenance of 114.20 miles of accepted and non-accepted miles of roads, which includes 28 miles of storm sewers with approximately 3,400 catch basins.

The Building & Grounds Division is responsible for the maintenance of 21 buildings totaling 139,249 square feet. It is also responsible for the grounds maintenance of 1,162.31 acres of park, athletic fields and open space.

The Machinery & Equipment Division is responsible for the maintenance of 172 pieces of various types of motorized equipment which are assigned to numerous Town departments including Board of Education and Volunteer Fire Department.

The Solid Waste Division provides a comprehensive recycling program, which has successfully surpassed the State mandate to recycle 25% of municipal solid waste. The recycling program in fiscal year 2009/2010 was expanded to include single stream and electronics recycling. In 2013, a new paint program was initiated by the State of CT. The Town joined the program in order to assist the residents in disposing of their paint products. 1,456 tons of waste was transported to the CRRA in fiscal year 2013/2014 at an annual cost of \$100,140. Another 11,000 tons of waste is picked up privately at curb side and disposed of at the CRRA facility and paid for by individual and commercial customers. The Town does not provide solid waste curbside collection services. Residents either contract with a private refuse collector or bring the waste directly to the landfill. Of the Town's approximately 7,400 households, approximately 1,626 (22%) deliver refuse directly to the landfill for transport to the CRRA plant in Hartford.

Sewers

The Town of Avon is served by a combination of individual septic disposal systems and public sewers. The Town has no treatment facility of its own, but instead contracts with the neighboring towns of Canton, Farmington and Simsbury for treatment of sewage effluent. Approximately 52% of the Town's dwelling units are served by public sewers; 2,407 in the Farmington Sewer Shed, 1,409 in the Simsbury Sewer Shed and 117 in the Canton Sewer Shed. The contractual capacity of the Farmington Sewer Shed is 600,000 gallons per day, of which 84% is currently utilized. The contractual capacity of the Simsbury Sewer Shed is 980,000 gallons per day, of which 55% is currently utilized. The contractual capacity of the Canton Sewer Shed is 50,000 gallons per day, of which 48% is currently used. The Canton, Farmington and Simsbury Treatment Plants are licensed by the State of Connecticut.

The Town of Farmington completed an upgrade and expansion of the Farmington Water Pollution Control Plant in 1996. Avon's share of the project was \$989,926 in principal payments and \$198,616.60 (2%) in interest payments to be amortized over twenty (20) years. The nineteenth payment of \$66,030.05 was paid in fiscal year 2013/2014. The last payment of \$66,030.05 will be made in July, 2015. They are planning a significant treatment plant upgrade, for which Avon's share has yet to be determined.

The Town of Simsbury completed the upgrade and expansion of the Simsbury Water Pollution Control plant in fiscal year 2007/2008. The final cost for the upgrade and expansion was \$26,840,083.00. The amount was reduced by Federal and State grants to \$21,037,216.20. The Town of Avon is responsible for 23.2% of the low-interest (2%) loan provided by the State of Connecticut. \$24,460.67 will be paid monthly through September 30, 2027. Additionally, Simsbury performed a major upgrade to their South Pump Station which was completed in fall 2009 for which Avon's share of the cost was \$118,322.

The Town maintains approximately 86.28 miles of gravity and pressure sanitary sewer lines with four pumping stations. Capital Improvements to the systems are generally paid for by those that benefit from new sewers through special benefit assessments. Maintenance of the system and treatment of effluent is also paid for by users through the sewer use fee. The current annual sewer use fee is \$325/equivalent dwelling unit as of July 1, 2014. Commercial accounts are charged based upon the amount of water consumed by the facility. Residential accounts are charged a flat fee of one equivalent dwelling unit per living unit. The WPCA has considered a revision of the sewer use fee for residential accounts by basing it on water usage – similar to commercial accounts. This revision has been removed from consideration due to the complexity of determining non-sewer related residential use and sewer flows for homes on private wells.

In addition to sanitary sewers, the Town also maintains approximately 85 miles of storm sewers.

Utilities

Electric: Power is delivered by Connecticut Light and Power Company, a subsidiary of Northeast Utilities. Separately the Town contracts with TransCanada Power Marketing to supply power to most municipal locations in Town. Those locations not served by TransCanada are supplied by Connecticut Light and Power Company.

Natural Gas: Natural gas is supplied by the Connecticut Natural Gas Company (Yankee Gas) and Hess Corporation, bid through a consortium managed by the Capitol Region Council of Governments (CRCOG).

Water: Avon Water Company

Ten wells provide the Avon Water Company with a safe yield of 4,100 gallons per minute. The company also maintains an emergency connection to the Metropolitan District Commission raw water line running from the Barkhamsted Reservoir to the West Hartford M.D.C. treatment facility.

The 94.27 mile distribution system is interconnected, divided into three pressure areas and serves 4,402 customers in Avon of the 4,832 total customers served. The Company's total storage capacity is 2,780,000 gallons. Fire protection is provided through 601 fire hydrants. The Company maintains 7 booster pump stations in the Hunters Run, Northgate, Country Club Road, Highgate, West Hills Drive, Knoll Lane, and Brian Lane areas. Construction of the Fisher Meadows Well started in May 2004 with water being pumped from the new well in December 2004. The current equipment installed is able to pump the approved rate of 2,083 GPM. Completion of this facility increases the water available to Avon customers by approximately 60%.

In 2011, the Company initiated an Infrastructure Replacement Program, which has improved fire protection and reduced potential leakage. To date, the Company has replaced 9,706 feet of 6" water main with 10" ductile iron water main on Haynes Road; replaced 3,814 feet of 6" water main with 8" ductile iron water main on Rosewood Road; replaced 2,306 feet of 1944 water main with 8" ductile iron water main on Simsbury Road/Woodford Avenue; replaced 1,151 of 6" cast iron water main with 8" ductile iron water main on Rockledge Road and 1,674 of 8" water main with 12" ductile iron water main on West Avon Road.

Connecticut Water Company

The Unionville Water Company was purchased by the Connecticut Water Company in October, 2002, and operated as a wholly owned subsidiary of Connecticut Water Company. In 2006, the Unionville Water Company's corporation was formally merged with Connecticut Water Company, and became the Unionville Division of the Connecticut Water Company. The Town of Avon is served by the Connecticut Water Company's Collinsville and Unionville Divisions.

Connecticut Water Company – Collinsville Division

The Collinsville Division of the Connecticut Water Company has a total of 1,941 customers, of which 372 are in Avon. Water is supplied by Metropolitan District Commission's Nepaug Reservoir through the Collinsville Water Treatment Plant on Torrington Avenue. They have three storage tanks with a combined capacity of 1.4 million gallons.

Fire protection is provided to the Town of Avon through 61 hydrants and 46,831 linear feet of water main. The Connecticut Water Company's Collinsville Division maintains a local office at 25 New Britain Avenue in Unionville.

Connecticut Water Company – Unionville Division

The Unionville Division of the Connecticut Water Company has a total of 6,474 customers, of which 671 are in Avon. The system has 7 wells with a total safe yield of approximately 3,000,000 gallons per day (MGD), and an interconnection with the Metropolitan District Commission system with an available peak capacity of 2.14 MGD. Power outage-initiated generators are on standby at six of the wells. Three storage facilities provide combined full

capacity of 3.2 million gallons. The Anvil Drive tank in Avon has a capacity of 1.3 million gallons.

Fire protection is provided to the Town of Avon through 97 fire hydrants and 66,524 linear feet of water main. The Connecticut Water Company's Unionville Division maintains a local office located at 25 New Britain Avenue, Unionville.

Housing

Avon continues to be a community which attracts upscale residential development. New single-family homes routinely sell for prices in excess of \$600,000 with many sales approaching, or exceeding, the \$1,000,000 figure. Commercial development also continues to grow. The Town's preference is for diverse, small-sized companies in specialty manufacturing, professional management, sales, and consulting.

Town Finances

All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized when they become measurable and available as net current assets. Available is currently being defined as collected during the current period or expected to be collected within 60 days thereafter.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include prepaid expenses, which are not recorded, principal and interest on general long-term debt, which are recognized when due, and compensated absences which are accrued and recorded in the general long-term obligations account group. Trust and Agency Funds are accounted for using the modified accrual basis of accounting for their assets and liabilities.

The annual operating budget for the General Fund is adopted on a basis consistent with generally accepted accounting principles, except for encumbrances and payroll accruals. The annual operating budgets for the Special Revenue Funds are prepared on a basis consistent with generally accepted accounting principles, except for encumbrances.

Fund Balances

Avon completed the fiscal year 2013/2014 with an Unassigned General Fund Balance of \$8,687,086, or 10.45% of the fiscal year 2013/2014 General Fund expenditures and transfers out of \$83,115,813, including the State’s contribution and offsetting expenditures for teacher’s retirement. No use of fund balance was budgeted for fiscal year 2014/2015 and no use is recommended at this time. A conservative estimate for the fiscal year 2014/2015 end balance would be roughly \$8,737,086; if there is no use of Unassigned General Fund Balance in the proposed budget for the fiscal year 2015/2016, the estimate is at \$8,787,086. Other actual fund balances for fiscal year 2013/2014 are outlined on pages B. 20 – B. 25.

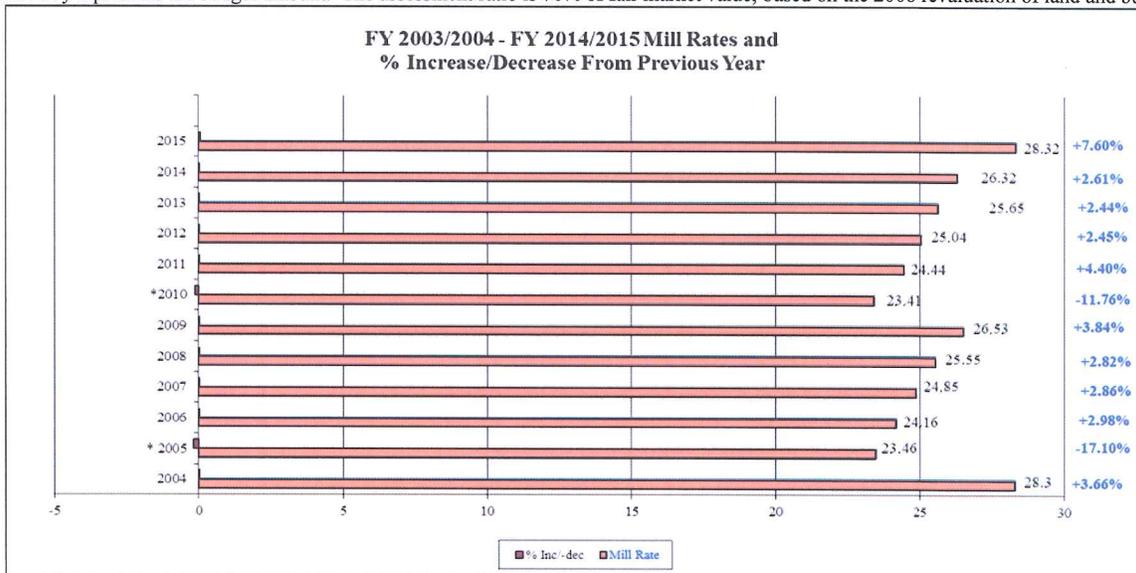

Debt Service

The Town has budgeted \$3,550,940 for fiscal year 2015/2016 bonded indebtedness, which includes all principal and interest payments. Applying \$250,000 of BAN/Bond premium to reduce fiscal year 2015/2016 budget to \$3,300,940. The budget for fiscal year 2014/2015 debt service (all funds) is \$3,647,490 and, in fiscal year 2013/2014, \$3,858,790.
