451.03 ORGANIZED SUMMER PROGRAMS

PROGRAM DESCRIPTION

All Day Camp activities conducted during the summer months, excluding specific sport activities, are funded through this account.

PROGRAM COMMENTARY

Program indicators reflecting attendance are for the summer of the year listed, regardless of fiscal year. Revenues are those collected during the appropriate fiscal years from July 1 to June 30. Para Professionals used in the program are often the same used by the Public Schools – so standardizing the wage scale assures access to those employees. One (1) Temporary Full-Time K-5 Recreation Leader and one (1) Part-Time Special Needs Para Professional remain in the Special Revenues-Recreation Account, thus keeping this account stable. Changes in this budget reflect the reorganization of the Avon Day Camp staff. Shared responsibilities of 2 Directors have been split for cost savings and efficiencies in order to leverage a new position of Special Needs Director a 10 hour a week position. The full day camp was restructured into 2 separate age groups* allowing for age appropriate curriculum and field trips, for the 2015 summer season. The Counselor in Training program was revamped with a 1 day training component and informal interview process.

452.01 PARKS

PROGRAM DESCRIPTION

This division provides for the oversight of all town parks, recreation facilities, and equipment. These areas include Sycamore Hills, Countryside Park, Huckleberry Hill, Sperry Park, Buckingham Road, Fisher Meadows, Alsop Meadows, the Enford Street Grounds, the Senior Center/Community Room, the Farmington Valley Greenway (Rails to Trails), and, seasonally, public school facilities. The Director of Recreation and Parks schedules all facilities and controls their use and co-administers the Park Maintenance Schedule, the General Fund and Capital Improvement Program Budgets. The Director of Public Works plans, schedules, supervises maintenance and co-administers the Parks and Senior Citizens Budget.

PROGRAM COMMENTARY

The transition of portions of this Department continues. The Department of Public Works will now report on the first 4 performance measures. The last 6 measures have been added to demonstrate workloads directly associated with the responsibilities of the Recreation and Parks Departments. These new measures not only indicate workloads, they prove to demonstrate the demands on sporting fields in Avon. These measures quantify the need to expand field inventory, and will be used in planning and developing current and future needs.
