

Avon Education Foundation Celebrates Its 20th Year of Enhancing Education in the Community!

The Avon Education Foundation (AEF) was formed by active community members with the mission of collaborating with the Avon Public Schools, the Avon Free Public Library, and the Avon Senior Center to promote excellence in education by providing independent financial resources for educational initiatives.

Donations to AEF have allowed educators in the Avon schools, library and senior center to provide programs that have impacted the community in countless ways.

The AEF website <http://avonedfoundation.org/> highlights grants that have been awarded throughout the years, and provides contact information for donations and volunteering.

Please consider volunteering in the following areas to help shape Avon's future.

- Community Events and Outreach
- Mail List Development and Maintenance
- Website Management
- Board of Directors and Committees
 - Social Media Chair/Volunteer
 - Finance Committee Chair/Volunteer
 - Fundraising Chair/Volunteer

“Boosting Reading Engagement with Periodicals,” was a recent AEF grant awarded to Pine Grove School, grade 4 teacher, Mr. Jon Moss, pictured here as he delivers a new supply of periodicals to Mrs. AnnMarie Castle’s 4th grade students.

AEF welcomes volunteers and donations to continue its mission of supporting education in the community.
