

September 28, 2017

The fence line at the rear of the Avon High School parking lot will be treated for crabgrass and weeds beginning at 6:00 a.m. tomorrow, Friday, September 29th. Spraying of the herbicide Lesco Prosecutor and Momentum Force Weed & Feed will be used. This area will be off limits to the public for 24 hours after application to allow the herbicide to dry completely before use of the fields is permitted.

Please feel free to contact Avon Public Schools' Director of Operations, Myles Altimus, at 860-404-4731, or maltimus@avon.k12.ct.us, with any questions or concerns.

Thank you,
Avon Public Schools
