

Garden Club of Avon March Event

Gardening for Wildlife

**Margery Winters of Roaring Brook Nature Center
will present a program titled**

Your Garden is Home to Many Wonderful Creatures

**Learn about their life cycles, their ecological value,
and how to bring life to your garden by planting
the right plants, as well as providing shelter and water.**

**Members and guests will gather March 13th
at the Church of St. Ann, 289 Arch Rd. Avon**

Reservations are required by March 7th
