Town of Avon,

I am temporarily running my small salon services out of the three season room on the back of my home. I am a single income household, only doing this to survive from the COVID shutdowns. I've been in business since 1995, I am only looking for this temporary situation to help me pay my bills due to COVID. I am not looking to change the ordinance or convert my home to a full fledged business. I am just looking for a temporary understanding until the COVID situation and my finances are under control so i can operate in another location as any other business.

I have 4-7 clients per day, all singular, with 15 minute gaps in between each appointment so there are no overlaps of clients. Clients enter through the back of the house, directly into the three season salon room. Masks are worn by myself and my clients. My business hours are Tuesday through Saturday 9:15am to roughly 6/7pm.

Clients often park in my drive way or sometimes on the street in front of my house. If it's a problem for them to park on the street, I can be sure they park in the driveway only.

Sincerely,  
Johnpaul Tonry
