Temporary Outdoor Seating Permit Application

Expansion of a previously approved outdoor dining area or establishment of new outdoor dining requires an Outdoor Seating Permit (which can be found at the end of this document) to be approved by the Building Official, Fire Marshal, Health and Zoning Officials (ALL FEES WAIVED). Please attach a site plan to this page before submitting this to the Town of Avon. The permit will be valid until the end of the outdoor dining season, or the cessation of occupancy restrictions by the State of Connecticut, whichever is earliest. The Planning Director, Hiram Peck will be the point of contact for this process.

Outdoor Seating Permit MUST include:

- Property owner signature/authorization
- A site plan sketch is required with permit indicating new, expansion or tent area. Depending on circumstances a survey may be requested.
- Outdoor dining area must be clearly delineated by railings, stanchions, or other suitable barriers and shown on the plan. No service shall be permitted outside delineated area.
- Handicap access to and from the seating to the building, restrooms, and parking areas must be shown on the plan.
