

# Compassionate, Comprehensive Care for Adults and Teens

## Habla Español?

All Root Center locations have bilingual staff on hand to assist Spanish speakers.

Root Center for Advanced Recovery provides hope and compassion for people struggling with mental health and substance use disorders. We take a holistic approach to wellness, helping clients improve wellbeing in multiple areas of their lives. Root Center provides comprehensive, evidence-based services, and is here to help you take the next step in your wellness journey.

## Our substance use and mental health services include:

- Adult & Teen Intensive Outpatient Program (IOP)
- Medication-Assisted Treatment (MAT)
- Mental Health Services including Individual, Group & Family Counseling
- Telehealth Sessions
- Medication Management
- Teen Services
- Pregnancy Program
- Recovery Planning
- Wellness & Community Services

## Telehealth services

We believe in finding a provider that is the best fit to help you succeed in your recovery journey. Our telehealth services offer clients the ability to access and connect with providers across our entire network of specialists and locations. For those with limited access to phone/computer, telehealth clients may visit and dial-in from the closest Root Center location.

## We're here when you need us

Root Center offers same-day or next-day openings for mental health and substance use services, including medication, and our Root Center Middletown location provides mental health primary care.
