Answered: 490 Skipped: 130 school recreational area The programming is with indoor games and largely geared to outdoor options at daytime and **seniors** Sycamore. only. Last time I tried to utilize the room for an event, for 26% a local organization, the Yes cost of the rental was too high There are so many groups wanting to use **32**% the room, which makes it No I was not clear that the hard to reserve community room was available for all Avon residents, I thoughts it was for seniors I'd love to see an update and **expansion** of offerings for all – both youth and adult programs. I think the community I'd also love more It's not large room does not meet the family programs to I wish the Senior enough, **versatile** needs of the community participate together as a Center had more enough, nor does because it is too small family it promote enough breakout rooms for a physical activity variety of programs
